18.5.18 (T5w6) - Attendance Review

Prevent Strategy

 HM Government

The next **Workshop Raising Awareness of Prevent (WRAP)** in school will be held on Wednesday 25th April, following Child Protection Training for new members of staff who have recently joined the school - starting at 9:30am in The SPOT.

All members of staff who have previously taken part in WRAP prior to September 2017 need to refresh their awareness through the governments online **Prevent Training**

<https://www.elearning.prevent.homeoffice.gov.uk> and hand their certificate to Diane Charter by **April 13th 2018**.

The full Government Prevent Strategy can be found here:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/97976/prevent-strategy-review.pdf

Gooseberry Planet

On **Safer Internet Day** this year (6.2.18) we gave every child in KS1 their own account to access this new interactive game and learning platform to teach children how to stay safe online.

Please remind children and parents to work through the first three topics: People Online, Selfies and Webcams. At recent review (1.3.18) showed 25 out of 76 children in KS1 had done this (33%).

NSPCC

Next term we will welcome back NSPCC for a Speak Out Stay Safe assembly.

For members of staff on Twitter, follow **@NSPCCpro** for updates on safeguarding policy, practice and research.
