Home Learning Activities: Term 5 (Beginning 20th April)

Dear Parents and Carers,

Well done for surviving this far! It is strange times we are in, and we are certainly missing seeing your children in school each day.

We hope you are managing to have some fun family times and getting some fresh air each day. I think one of the most important things during this time is supporting each other and recognising that we'll all have things we are finding challenging. Kindness, support and laughter will help get us through!

Do try and make time for family games, baking, playing, making, den building, drawing, colouring, junk modelling and do your best to keep active.

As a school, we have no idea when things will go back to 'normal' so are providing you with a months' worth of learning ideas. We have given you a list to try and complete with your child each day but please do it in a way that works for your family and don't feel pressured to complete everything every day. Wellbeing is the priority at the moment!

We are thinking of you all. Please remember, we are on the end of the school phone, checking texts and emails on a daily basis so please do get in touch if you are in need or have questions about their learning.

With love from

Maple Class Teaching Team

Daily Learning

You can use this to help you structure the day. This is a suggestion of key learning to do with your child each day, if possible.

****Joe Wicks live at 9am every morning, if you'd like to start off the day with exercise****

Explore Activities

Journey of the World

Here are some ideas to help you if your child would like to do some Explore time learning:

- Can you learn the continents and oceans: look in an atlas to see where they are and use these songs to help you:
<https://www.youtube.com/watch?v=gFIS3aLQPfs>
<https://www.youtube.com/watch?v=kNGJfg45QRI>
- Can you find out the names of 5 countries in each continent?
- What country do we live in? Find out about the UK: what countries are in the UK? What is the capital city? Make the flag. Who is in the Royal family? Who leads our country?
- London: Can you make a model of a famous building in London?
- Choose a country project. Here are some things you could find out:
 - What continent is it in?
 - What is the capital city?
 - Can you make the flag?
 - Can you try and make some food from that country?
 - Can you listen to some music from that country?
 - Can you make a model of something famous in that building?
 - What language do they speak and how do they say hello?
