Excel at Twerton  
- the school that cares

## Monday

### Writing task

#### Acrostic poem

Can you use 'Twerton Infants' to write an acrostic poem. This means that each line of the poem needs to begin with each letter.

You could even try this for your name. This is mine:

**M**aple Class are wonderful.

**I** am really missing them.

**S**uper fun,

**S**o kind and clever,

**S**ad that I'm not seeing them.

**C**reative and caring,

**O**h how amazing they are!

**T**his week is different and strange,

**T**hinking of you all.

## **Tuesday**

### **Instructions**

Write instructions for your favourite game

What is one of your favourite games? How would you explain to someone else how to play?

Write out your instructions in full sentences.

You could start your sentences with:

First ....

Next...

After that...

## **Thursday**

### **Habitats**

Find out and write about a habitat of your choice

Choose a habitat and find out as much as you can about it. What is in this habitat? What lives there? Where in the world is an example of this habitat?

You could even make a model of the habitat to go with it.

## **Friday**

### **The Magic Faraway Tree**

Make up a new land for the top of the tree

Write in full sentences. You could think about:

- What you can see when you reach the top of the ladder?
- What people are in this land?
- What can you do in this land?
- What can you hear and smell in this land?

You could draw a picture of your land to go with it (don't forget to give it a title).
