Dear Oak Bubble Parents and Carers,

Update for parents: Suspected case of COVID-19 NEGATIVE TEST RESULT

I am very pleased to write to inform you that the member of staff who was tested for coronavirus yesterday morning has received a **negative result**. This means that the member of staff **did not have the virus** when the test was done.

This is a relief and it means that we will be able to reopen Oak Bubble next week.

Do please continue to be vigilant to help reduce the risk of you and anyone you live with getting ill with COVID-19:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards.

We look forward to your child returning to school next week.

Yours sincerely,

George Samios
Headteacher
