# Dear Parents and Carers

## Welcome to Term 2

We hope you managed to make the most of the half-term holiday and we are looking forward to welcoming children back to school and to the nursery from tomorrow.

## Masks - new measures to keep safe

With England entering a second Lockdown on Thursday and the rate of infection continuing to rise in B&NES, we ask that **parents now wear a mask** when dropping off and collecting children from school.

Members of staff will also wear a mask when they need to speak to parents at drop off and collection, but they will not wear a mask when greeting children or when working with them throughout the normal course of the school day.

Please do wear a mask when waiting at the school gate or in the playground. Thank you for your understanding.

**N.B. DO NOT bring your child to school if anyone in your household has any of the following symptoms; instead self-isolate and get tested.**

### CORONAVIRUS - the symptoms

If you have any of these symptoms, self-isolate and get tested

- High temperature
- New, persistent cough
- Loss or change in sense of smell or taste

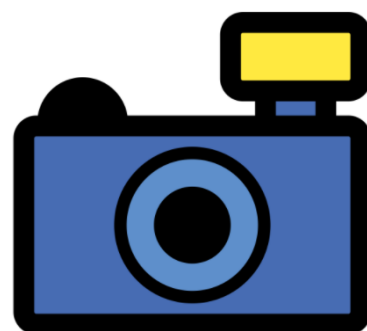

# Arrival and Collection Times for Children

Please arrive promptly at the start and end of the school day. If you have a problem with the collection time then speak to your child's teacher and we will try to resolve this on an individual basis.

## School Photos – 11<sup>th</sup> November

We are still planning for the photographer to visit the school on Wednesday 11<sup>th</sup> November with additional safety measures in place. This year we are keeping arrangements as simple as possible and only offering photos for children in Reception, Year 1 and Year 2.

Children will be photographed in their class bubble and it will not be possible to have sibling photos unless your children are in the same class.
