Tuesday 5th January 2021

Dear Parents & Carers,

Arrangements for Keyworker and Vulnerable Children during Lockdown 3

Your child is invited to attend school each day for the time being. For the continuity of your child's development and learning they should attend each day, even if you are not working.

Obviously, if your child has any of the coronavirus symptoms it is important that they do not attend school and you should arrange a test ASAP. Similarly, if anyone else in your household has symptoms, please stay at home and arrange a test ASAP.

It is vital that we manage the movement of children and adults safely. Please keep to the following timings and **we ask that parents now wear a mask when on the school grounds.**

- Reception (Ash and Elm) – 8:55am arrival and 3:10pm collection
- Year 1 Bubble in Rowan Class (off front playground) – 8:35am arrival and 2:50pm collection
- Year 2 Bubble in Maple Class (off front playground) – 8:45am arrival and 3:00pm collection

Children attending Ash will continue to enter the school site via the bottom gate on Shaws Way. All other children, including children in Oak Class, will enter the school via the main entrance.

Children should wear fresh uniform each day (if possible), they can bring their books bags but please limit items that are sent in to just reading books and reading record books.

Please provide a warm coat, hats and gloves as children will spend time outdoors, it's also a little cool in school at the moment, so make sure they have a sweatshirt, jumper or cardigan.

We are hoping that hot school meals will continue and will provide an update as soon as we can; otherwise sandwiches will be provided.

If you have a child in the Nursery the arrangements for them are unchanged from last term.

Best wishes,

George Samios
Headteacher
