

Thursday 25th February

- Watch today's video. Follow along as I tell the 'Problem' part of Captain Flinn and the Pirate Dinosaurs by using the story map on the video. (This is where Captain Flinn fights the dinosaurs.)
- Listen especially carefully to the speech (spoken words)!
- In your exercise book, write out the speech that you hear. You can use the story map on this sheet to help you remember what is said.
- Remember to use **speech marks** at the **beginning and end** of the words that are spoken!

"Have fun," said Mrs Rogers.

The speech is written out at the end of the video for you to check your work against.
