Dear Parents and Carers

Coronavirus Update

The number of cases of coronavirus in Bath is high and it has been for several days. Recent data shows that in the 7 day period up to Saturday 23rd October, there were 1937 cases in B&NES. This means, on average, 1 out of every 100 people in B&NES now has coronavirus.

Schools across B&NES have been asked to take additional safety measures for the first two weeks of the new term. For our school this means:

- 1) We will temporarily stop whole school assemblies and will have separate Reception and KS1 assemblies.
- 2) Staff will continue regular LFD testing and will book PCR tests if they come inot contact with someone positive.
- 3) Staff will be encouraged to wear masks when moving through the school.

B&NES NHS Updates

With the NHS under increased pressure, B&NES have asked that we share information that explains how GP surgeries are working at the moment.

- [How GP practices are working now](#) (leaflet)

We have also been asked to share guidance on which medicines families should keep in good supply at home (stored safely).

- [Stock up your medicine cabinet](#) (leaflet)

Reading Books and Ditties

Many children are bringing home Reading Books and Ditties each day. Children will have 3 books in their book bag. The **first book** is one that your child has been reading in school and is for them to show you how good they are becoming at reading. Children are familiar with these books and should be able to enjoy reading the book fluently. You may think the book is easy, but it is important children get used to reading with fluency.

The **second book** is linked to the first book and will be the same level of challenge. The **third book** is a book your child has chosen from the library for parents to read to enjoy together and for parents to show off their own reading skills.

Please do bring the books to school each day and make sure that everything is returned.

It is vital that all books are returned to school so they can be used by the next children. A new book will not be given to your child until the last book they have borrowed has been returned. Please take care of the books and return them.
