You should receive an email from school with a unique voucher for each eligible child. This will include a link you click to access the booking system where you can search for activities by type or postcode and then book your child onto those they would like to attend. Initially each child will be able to book onto a maximum of 5 sessions (although this may increase depending on the demand for places).

The HAF vouchers will start to be distributed this week through the schools' E-voucher system, which is used across the majority of schools within Bath and North East Somerset. You should receive your HAF voucher/s shortly.

If you do not receive a HAF voucher by the end of next week and think your child is eligible please check with your school to see if the vouchers have been distributed.

If you are having trouble using your voucher there are help pages here

<https://help.evouchers.com/hc/en-gb>, you can also email support@evouchers.com

We hope your child will enjoy the HAF programme!
