# Dear Parents and Carers

## Happy and Healthy Lunchtimes

We have been pleased to see many parents are providing healthy lunchboxes for children. The NHS have a great website "Healthier Families" that has lots of ideas for healthy lunchboxes too: <https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

Please remember that **School Meals are free** for all children in Reception, Year 1 and Year 2. The meals are always nutritionally well balanced. Please have a look at the menu and get your child to try it out – you can always send in a lunchbox too (as a backup).

## Menu for School Dinners

The [menu for school dinners](#) is on the school website. This week is **Week 1, w.b. 9/5/22**.

These meals are free of charge to all children in YR, Y1 and Y2.

## No Dogs on the School Site

Please do not bring a dog on to the school site, even if you are carrying it in your arms. We have a policy that dogs are not allowed on except for Guide Dogs or when a thorough Risk Assessment has been completed.

## Taking care with scooters

We are pleased that lots of families choose to walk to school and that children are getting plenty of exercise using scooters and bikes to travel to school.

Please ensure your child is well-supervised during the journey to school and that they dismount from their scooter or bicycle when they arrive at school. **Do not let your child scooter or cycle within the school site at the start or end of the day. It is too busy and there is risk that someone will be injured. Thank you for helping to keep everyone safe.**

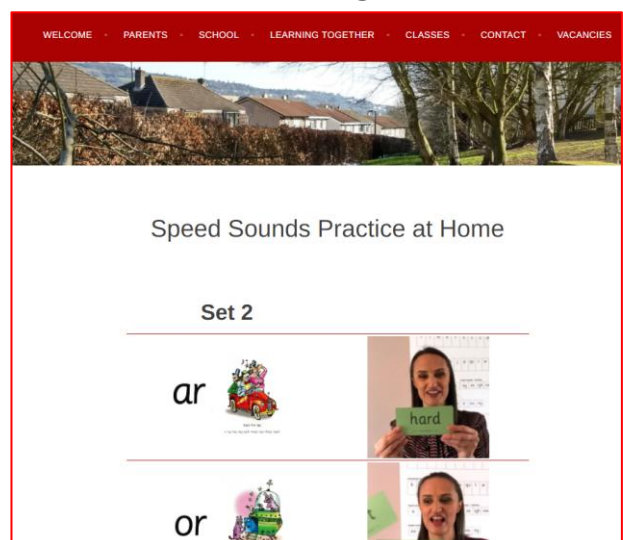

## Phonics Practice at Home

Our teachers and TAs have been working very hard since September providing every child in the school with high quality phonics lessons each day. Children are making excellent progress this year but many of them have had repeated interruptions to their reading development caused by the multiple Lockdowns of the last 2 years.

To help to support children in Year 1 and Year 2, and to prepare for the Phonics Screen Check next term, something that all children take, we have added [links to Speed Sound Lessons on our website](#). These

lessons are around 10 minutes long and can be watched on a Smart Phone, tablet or a PC. Please work through these lesson videos with your child over the next few weeks. It will provide extra practice to

consolidate their learning in school and give them confidence ahead of the Phonics Check, which will take place in the first week of next term.
