# Dear Parents and Carers

## Five action-packed weeks to go

The theme of our assemblies this term is **Changes**. Life is full of changes and we are helping children to prepare for some of the school-based changes ahead of them.

We are also looking at **Perseverance**. We want to finish off this year as well as we can and get the most out of each day right up to the end of term.

## Parent Survey 2022

We are inviting all parents to complete our annual **Parent Survey**. It is really important and helpful to get feedback directly from parents.

The survey can be completely anonymously.

Please click the link below to access the survey, which will take only few minutes.

## Sports Day – Tuesday 19<sup>th</sup> July

After two summers without Sports Days, we are looking forward to an entertaining afternoon of sporting endeavour from our young sportsmen and sportswomen and the return of the hotly contested Mums and Dads Races.

Sports Day will take place on the field at **St Michael's Junior School** for children in Reception, Year 1 and Year 2 on **Tuesday 19<sup>th</sup> July**, starting at **1:30pm**.

The nursery will hold their own Festival of Sport at school and will soon be in contact to give parents more details.

## Summer Fayre 15<sup>th</sup> July & Mufti-Days

We are holding a series of Mufti-Days ahead of our Summer Fayre. We invite children to bring in items for the fayre:

**Friday 24<sup>th</sup> June** - **bottles** for Bottle Tombola

**Friday 1<sup>st</sup> July** – **items for your child's Class Hamper Prize** (details to come from each class)

**Friday 8<sup>th</sup> July** - **chocolate** for Chocolate Tombola

## Making the most of school

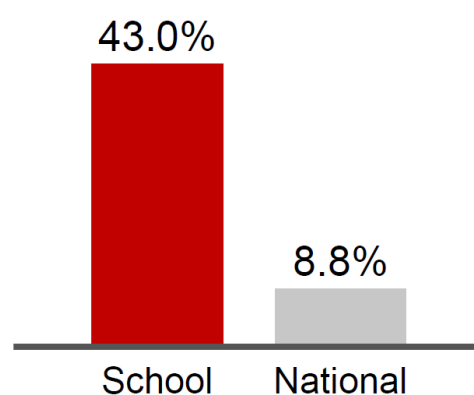

Children have missed a lot of school over the last two year for reasons that have been outside of our control.

Recently, we have also seen cases of chicken pox, which has also impacted on children's attendance at school.

Again, we cannot control this; so, it is important, that if your child is well they do attend school each day.

Missing school affects the progress that children make in their development and their learning.

In our school, we have a high number of children who have missed more than 10% of school, that means, by the end of year, they will have missed almost 4 weeks of school.

**i** Percentage of pupils who miss 10% or more sessions.
