Dear Parents / Carers

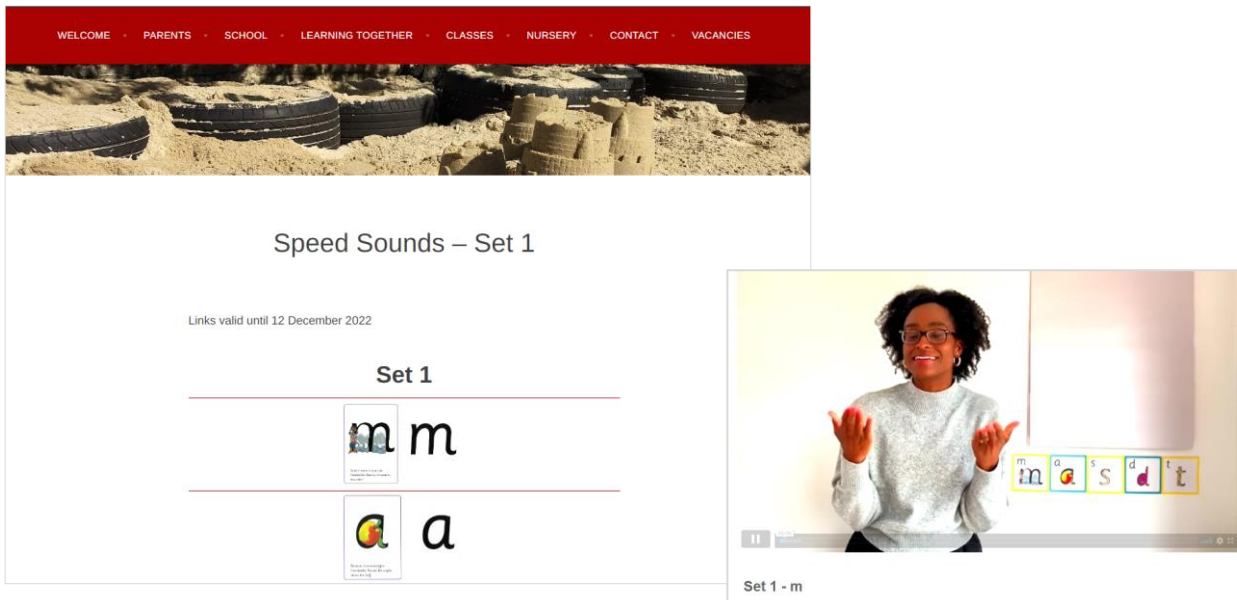

Your child has now been taught 16 sounds. They have been practising these in school and thank you for all of the practice you have done at home! They are beginning to remember these, but this takes lots of practice.

We have just carried out the first phonics assessment. The sounds your child needs to practise are starred on the QR code sheet attached to this letter. Please practise these and recap all the sounds over the half term holiday.

We will be beginning the rest of the single letter sounds after half term.

You can also access all the videos from the school website. Just click on the sound to practise and a video will automatically open up. This will work on any smart device – laptop, smartphone and tablet.

Set 1 Speed Sounds: <https://twertoninfant.school/speed-sounds-practice-at-home-set-1/>

The screenshot shows the school's website interface. At the top is a red navigation bar with links: WELCOME, PARENTS, SCHOOL, LEARNING TOGETHER, CLASSES, NURSERY, CONTACT, VACANCIES. Below this is a banner image of a field with large, cylindrical mounds of earth. The main content area is titled 'Speed Sounds – Set 1' and includes a note: 'Links valid until 12 December 2022'. Underneath, 'Set 1' is displayed above a list of sounds: 'm m' and 'a a'. To the right of this list is a video player showing a woman with glasses and a white sweater, smiling and gesturing. The video player has a play button and a progress bar. Below the video player, the text 'Set 1 - m' is visible.

Thank you so much for your help and support,

The Reception Team
